- Electricity** Electricity is available on a very limited basis so it is therefore available on a first come first served basis for a fee of \$50 for the weekend. During set up those 4-5 vendors receiving electricity will be directed to the specific electrical post to plug into. Unauthorized plugging into electrical posts can get you removed from the show.
- Animals** No dogs or other animals are allowed on the festival grounds during the weekend.
- Parking** No vehicles will be allowed in your booth during festival hours. All vehicles (including trailers) must park in the vendor parking area-golf cart shuttles are available to get you back and forth from the vendor parking area.
- Beverages** Commercial vendors are not allowed to sell beverages from your booth – we have specific vendors selling food and beverages to the fair attendees.
- Overnight Camping** A limited number of spaces are available for self-contained RV's (not cars, vans, trucks, etc) west of the Sledding Hill where all vendor vehicles park. There will be no water or electrical hookups and vendors are restricted from building fires, pitching tents and dumping water and/or waste. Advance registration for this opportunity is required. The cost for this opportunity is \$15.
- Alcoholic Beverages:** Other than in the designated area of the City Park and during the designated time (7-11 pm on Friday & Saturday), the Mint Festival is a non-alcohol event. This will be enforced and you are required to enforce this rule with your event participants at your event locations.
- Set-Up Time** Friday, August 8, 2008 from 9:00 am – 1:00 pm
Due to the limited amount of time we have to get all vendors into the park, we require that you drop off your booth and goods and move your vehicle to vendor parking before setting up. The park roads are very narrow so you will need to pull to the side so other exhibitors can get past. You must enter the commercial area from the north end of the park on Parks Street and follow the traffic flow that we establish. Do not attempt to enter the commercial area from the south end by the high school since there is no entry into the park from that direction.
Saturday, August 9, 2008 from 8:00 am – 9:30 am
Sunday, August 10, 2008 from 8:00 am – 9:30 am

Vendors Responsibility

- Vendors are responsible for supplying as well as setting up and taking down their own displays, dividers, tents, overhead coverings, booth signage, booth decorations, tables and chairs. Vendors are also expected to clean up their assigned booth areas at the conclusion of their sales day. All trash must be disposed of properly for consideration to participate in the following years show.
- Vendors are expected to remain open for business until closing on all three days. Early teardown and departure will not be tolerated and you will not be asked to participate in future Festivals.

Publicity

Advertisement of the St. Johns Mint Festival begins in January 2008 and continues until the start of the festival. We utilize paid newspaper advertisement (over 10 newspaper), radio and TV spots. We are listed in the Michigan Festivals & Events Guide and are listed on over 15 festival and craft show websites. We distribute over 9,000 festival brochures throughout the state, hang up 1000 posters in a 4 county area and print over 40,000 festival programs that are included in area newspapers the week before the festival.
