

Motorcycle Show at the 2008 St. Johns Mint Festival

Show Hours: Friday, August 8, 2008: 2:00 pm – 8:00 pm
Saturday, August 9, 2008: 10:00 am – 7:00 pm
Sunday, August 10, 2008: 10:00 am – 5:00 pm

Purpose: The purpose of holding a display show at the Mint Festival is: 1)it offers owners the opportunity to show off their bike, 2)it is another way for the festival to attract different crowds to the festival and 3)if a Motorcycle business wishes to participate, it is another way for the Chamber/Mint Festival to help promote businesses.

Qualifications: Any Clinton County resident may display a motorcycle at the show free of charge if the entry form is completed and returned to the Chamber of Commerce by July 31, with the understanding it is the responsibility of the owner to remain with the motorcycle when their bike is on display. All spaces will be available on a first come, first serve basis until filled. Any business wishing to display a group of motorcycles for potential sale must be a sponsor of the festival at a level of at least \$500.

Application: The entry form must be completed and returned to the address below by Thursday, July 31. Our insurance carrier requires that all participants in the St. Johns Mint Festival have liability insurance which covers yourself and any equipment you display, so you must check the appropriate box on the application that will indicate you have insurance on the equipment (most use their homeowners/business insurance). Signing the enclosed application means you take responsibility for your own equipment and release the St. Johns Mint Festival and other related parties from any liability for bodily injury, property loss or damage as a result of your participation.

Requirements: The Mint Festival is 3 days long and our goal is to have bikes on display all three days. You can display your bike all weekend, or indicate on the application which hours on which day(s) you want to display. Since many bikes may be coming & going throughout each day, we ask that you enter by way of North Morton Street or Park Street. Please do not enter by way of Sickles Street as this area gets very congested with vehicles looking for parking. The display area will be on the street that sits just south of the Veterans Memorial Pool. For however long you have your bike on display, you are responsible for your own equipment. It is encouraged that you or someone you know stay with your equipment during all hours you are displaying your bike. If you are a business and choose to leave your bikes at the festival overnight, please be aware that two police officers will be on the grounds during hours the festival is not open, but since they can not be in one place all night long, the owner still accepts the responsibility of leaving the bikes unattended.

Parade: Please note the Mint Festival holds a Grand Mint Parade on Saturday, August 9 at 10:00 am. There is room for a limited number of motorcycles in the parade. If you wish to be in the parade please check the appropriate box on the entry form and return the form before June 30. Motorcycle entries will be together in the parade.

Security: The festival grounds (all areas used in the city park, county fairgrounds & school property) will be patrolled by officers of the St. Johns Police Department at night when the festival is closed.

St. Johns Mint Festival
